COMMUNITY COUNSELING CENTER HONORS TERESE CYBULSKI'S 60 YEAR CAREER

Geneva, OH, July 24, 2023 – Community Counseling Center is proudly naming their Geneva satellite office in honor of Terese Cybulski, a current, long-tenured employee who has been serving the behavioral health needs of Ashtabula County residents for over 60 years. There will be a dedication ceremony on Wednesday, August 9, 2023 at 4:00 p.m. at the office located at 500 W. Main Street, Geneva, Ohio, 44041.

Her dedicated career began after earning her Master of Science in Social Administration degree from Case Western Reserve University in 1963. As a Licensed Independent Social Worker in the state of Ohio, Terese has given back to the community in Ashtabula County through her work with several local organizations, spending the majority of her career with Community Counseling Center. The Geneva office will be adorned with a commemorative plaque that is inscribed with a quote from Terese: "I have always felt I was in the right place and doing what I was placed on earth to do in this lifetime."

Paul Bolino, Community Counseling Center President & CEO noted, "It is with sincere gratitude that we celebrate Terry's career and achievements with this honor, and appreciate that she still continues to provide services and give back to the community to this very day."

Community Counseling Center is a non-profit behavioral health provider focused on engaging the community in recovery. The organization provides mental health and substance use disorder treatment across the lifespan in Ashtabula County Ohio and beyond.
