

COMMUNITY COUNSELING CENTER WELCOMES NURSE PRACTITIONER

Ashtabula, OH, December 30, 2020 – Community Counseling Center of Ashtabula County welcomed Eileen Zehe, MSN, RN, PMHNP-BC as a new member of our medical team in 2020. Eileen officially joined our team on March 16, 2020, and is currently available to provide medication management services to children and adolescents, accepting Ohio Medicaid and multiple commercial insurance plans. Due to COVID-19 restrictions, Eileen is currently providing these services through video conferencing and telephonic communication until further notice. Please visit our website at cccoho.com for updated information on the status of in-person services at our main office and satellite locations.

Ms. Zehe earned her Bachelor of Science in Nursing (BSN) from Ursuline College in Cleveland, Ohio, and her Master of Science in Nursing (MSN) from Kent State University. She completed her Psychiatric Mental Health Nurse Practitioner (PMHNP) Certificate through the University of Cincinnati, and is Board Certified (BC) through the American Nurses Credentialing Center (ANCC). Eileen has served in a variety of roles with progressive responsibilities across her nursing career, and brings a wealth of healthcare experience to Community Counseling Center. She appreciates the value of partnership and collaboration in the

treatment of children and adolescents, and sees family involvement as crucial for the success of the patient.

Community Counseling Center is a non-profit behavioral health provider focused on engaging the community in recovery. The organization provides mental health and substance use disorder treatment across the lifespan in Ashtabula County Ohio and beyond.
